Article I

Definitions

Unless the context shall prohibit, certain words used *in* this Declaration shall be defined as set forth in Exhibit "A", attached hereto and by reference made a part hereof.

Article II

Property Subject To This Declaration

Section 1. Property Hereby Subjected To This Declaration--The real property which is, by the recording of this Declaration, subject to the covenants and restrictions hereafter set forth and which, by virtue of the recording of this Declaration, shall be held, transferred, sold, conveyed, used, occupied, and mortgaged or otherwise encumbered subject to this Declaration is the real property described in Exhibit "B", attached hereto and by reference made a part hereof

Section 2. Other Property--Only the real property described in Section 1 of this Article II is hereby made subject to this Declaration; provided, however, by one or more Supplementary Declarations, Declarant and the Association have the right, but not the obligation, to subject other real property to this Declaration, as hereinafter provided.

Article III

Association Membership and Voting Rights

Section 1. Membership--Every Person who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall be deemed to have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No Owner, whether one or more Persons, shall have more than one (1) membership per Lot. In the event of multiple Owners of a Lot, votes and rights of use and enjoyment shall be as provided in this Declaration and in the By-Laws. Membership shall be appurtenant to and may not be separated from ownership of any Lot. The rights and privileges of membership, including the right to vote and to hold office, may be exercised by a member or the member's spouse, but in no event shall more than one (1) vote be cast nor office held for each Lot owned.

Section 2. Voting--Members shall be entitled to one vote for each Lot owned. When more than one Person holds an ownership interest in any Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting. In the absence of such advice, the Lot's vote shall be suspended in the event more than one Person seeks to exercise it.

Article IV

Assessments

Section 1. Purpose of Assessment--The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners and occupants of Lots, including the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

Section 2. Creation of the Lien and Personal Obligation for Assessments--Each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such

deed, covenants and agrees to pay to the Association: (a) annual assessments or charges; (b) special assessments, such assessments to be established and collected as hereinafter provided; and (c) specific assessments against any particular Lot which are established pursuant to the terms of this Declaration, including, but not limited to, reasonable fines as may be imposed in accordance with the terms of this Declaration. All such assessments, together with late charges, interest, not to exceed the maximum legal rate, costs, and reasonable attorney's fees actually incurred, shall be a charge on the land and shall be a continuing lien upon the Lot against which each assessment is made. Each such assessment, together with late charges, interest, costs, and reasonable attorney's fees actually incurred, shall also be the personal obligation of the person who was the Owner of such Lot at the time the assessment fell due. Each Owner shall be personally liable for his or her portion of each assessment coming due while he or she is the Owner of a Lot, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance to the extent expressly assumed; provided, however, the liability of a grantee for the unpaid assessments of its grantor shall not apply to any first mortgagee holder taking title through foreclosure proceedings or deed in lieu of foreclosure.

The Association shall, within five (5) days after receiving a written request therefor and for a reasonable charge furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot shall be binding upon the Association as of the date of issuance.

Assessments shall be levied equally on all Lots and shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice, of the annual assessment for delinquents. Unless otherwise provided by the Board, the assessment shall be paid in monthly installments.

Section 3. Computation--It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year, which shall include a capital contribution or reserve in accordance with a capital budget separately prepared. The Board shall cause the budget and the assessments to be levied against each Lot for the following year to be delivered to each member at least thirty (30) days prior to the end of the current fiscal year. The budget and the assessment shall become effective unless disapproved at a meeting by a Majority of the total Association vote and the Declarant (so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof). Notwithstanding the foregoing, however, in the event the membership disapproves the proposed budget or the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined, as provided herein, the budget in effect for the then current year shall continue for the succeeding year.

Section 4. Special Assessments--In addition to the other assessments authorized herein, the Association may levy special assessments from time to time if approved by two-thirds (2/3) of the total Association vote and the Declarant (so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof). Special assessments shall be paid as determined by the Board, and the Board may permit special assessments to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

Section 5. Lien for Assessments--All sums assessed against any Lot pursuant to this Declaration, together with late charges, interest, costs, and reasonable attorney's fees actually incurred, as provided herein, shall be secured by a lien on such Lot in favor of the Association. Such lien shall be superior to all other liens and encumbrances on such Lot, except for (a) liens for ad valorem taxes; or (b) liens for all sums unpaid on a first Mortgage

or on any Mortgage to Declarant duly recorded in the land records of the county where the Community is located and all amounts advanced pursuant to such Mortgage and secured thereby in accordance with the terms of such instrument.

All other Persons acquiring liens or encumbrances on any Lot after this Declaration shall have been recorded in such records shall be deemed to consent that such liens or encumbrances shall be inferior to future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating such liens or encumbrances.

Section 6. Effect of Nonpayment of Assessments: Remedies of the Association--Any assessments or installments thereof, which are not paid when due, shall be delinquent. Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge in an amount as the Board may from time to time determine. The Association shall cause a notice of delinquency to be given to any member who has not paid within ten (10) days following the due date. If the assessment is not paid within thirty (30) days, a lien, as herein provided, shall attach and, in addition, the lien shall include the late charge, interest, not to exceed the maximum legal rate, on the principal amount due, and all late charges from the date first due and payable, all costs of collection, reasonable attorney's fees actually incurred, and any other amounts provided or permitted by law. In the event that the assessment remains unpaid after sixty (60) days, the Association may, as the Board shall determine, institute suit to collect such amounts and to foreclose its lien. Each Owner, by acceptance of a deed or as a party to any other type of a conveyance, vests in the Association or its agents the right and power to bring all actions against him or her, personally, for the collection of such charges as a debt or to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting on behalf of the Owners, shall have the power to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage, or convey the same.

No Owner may waive or otherwise exempt himself from liability for the assessments provided for herein, including, by way of illustration, but not limitation, abandonment of the Lot. No diminution or abatement of any assessment shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under this Declaration or the By-Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay assessments being a separate and independent covenant on the part of each Owner.

All payments shall be applied first to costs and attorney's fees, then to late charges, then to interest and then to delinquent assessments.

Section 7. Date of Commencement of Assessments--The assessments provided for herein shall commence as to a Lot subject to this Declaration on the first day of the month following the conveyance of such Lot to a Person other than the Declarant or a builder approved by the Declarant; provided, however, assessments shall commence on Lots containing occupied residences that are owned by Declarant or any builder on the first day of the month following the occupancy of the residence located on such Lot for residential purposes. Assessments shall be due and payable in a manner and on a schedule as the Board of Directors may provide. Lots, which have not been so conveyed, shall not be subject to assessment. The first annual assessment shall be adjusted according to the number of months then remaining in that fiscal year.

Section 8. Specific Assessments--The Board shall have the power to specifically assess pursuant to this Section as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the

Association or the Board of Directors and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. Fines levied pursuant to Article XII, Section 1 of this Declaration and the costs of maintenance performed by the Association, which the Owner is responsible for under Article V, Sections 1 and, 2 of this Declaration shall be specific assessments. The Board may also specifically assess Lots for the following Association expenses, except for expenses incurred for maintenance and repair of items which are the maintenance responsibility of the Association as provided herein:

(a) Expenses of the Association, which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots, which are benefitted according to the benefit, received.

(b) Expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.

Section 9. Budget Deficits During Declarant Control--For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may: (i) advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the annual, special and specific assessments collected by the Association in any fiscal year, and such advances shall be evidenced by promissory notes from the Association in favor of the Declarant; or (ii) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for such a loan in the local area of the Community. The Declarant in its sole discretion may guarantee repayment of such loan, if required by the lending institution, but no Mortgage secured by the Common Property or any of the improvements maintained by the Association shall be given in connection with such loan.

Article V

Maintenance: Conveyance of Common Property to Association

Section 1. Association's Responsibility--The Association shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair, and replacement, subject to any insurance then in effect, of all landscaping and improvements situated on the Common Property. The Association shall maintain all entry features and recreational facilities for the Community whether or not located on Common Property and any no-access buffer shown on any plat for the Community recorded by or on behalf of the Declarant in the public records of the county where the property is located. The Association shall also maintain all property outside of Lots located within the Community, which was originally maintained by Declarant.

In addition, the Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Community, including, without limitation, a berm on the property line near the recreational facilities where the Board has determined that such maintenance would benefit all Owners.

In the event that the Association determines that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, his or her family, guests, lessees, or invitees, and is not covered or paid for by insurance, in whole or in part, then the Association may perform such maintenance, repair or replacement at such Owner's sole cost and expense, and all costs thereof shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Lot.

The foregoing maintenance shall be performed consistent with the Community-Wide Standard.

Section 2. Owner's Responsibility--Except as provided in Section 1 above, all maintenance of the Lot and all structures, landscaping, and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. In the event that the Board of Directors of the Association determines that any -Owner has failed or refused to discharge properly his obligations with regard to the maintenance, repair, or replacement of items for which he is responsible hereunder, the Association shall, except in an emergency situation, give the Owner written notice of the Association's intent to provide such necessary maintenance, repair, or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner shall have ten (10) days after receipt of such notice within which to complete such maintenance, repair, or replacement, or, in the event that such maintenance, repair, or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at Owner's sole cost and expense, and all costs shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Lot.

Section 3. Party Walls and Party Fences.

(a) General Rules of Law to Apply--Each wall or fence built as a part of the original construction on the Lots which shall serve and separate any two (2) adjoining Lots shall constitute a party wall or fence and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(b) Sharing of Repair and Maintenance--The cost of reasonable repair and maintenance of a party wall or fence shall be shared by the Owners who make use of the wall or fence in equal proportions.

(c) Damage and Destruction--If a party wall or fence is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who has used the wall may restore it, and if the other Owner or Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

(d) Right to Contribution Runs with Land--The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title.

(e) Arbitration--In the event of any dispute arising concerning a party wall or fence, or under the provisions of this Section, each party shall appoint one (1) arbitrator. Should any party refuse to appoint an arbitrator within ten (10) days after written request therefore by the Board of Directors, the Board shall appoint an arbitrator for the refusing party. The arbitrators thus appointed shall appoint one (1) additional arbitrator and the decision by a majority of all three (3) arbitrators shall be binding upon the parties and shall be a condition precedent to any right of legal action that either party may have against the other.

Section 4. Conveyance of Common Property by Declarant to Association--The Declarant may transfer or convey to the Association any personal property and any improved or unimproved real property, leasehold, easement, or other property interest, which is or may be

subjected to the terms of this Declaration. Such conveyance shall be accepted by the Association, and the property shall thereafter be Common Property to be maintained by the Association for the benefit of all or a part of its Members. Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section.

Article VI

Use Restrictions and Rules

Section 1. General--This Article, beginning at Section 2, sets out certain use restrictions, which must be complied with by all Owners and occupants of Lots. These use restrictions may only be amended in the manner provided in Article XII, Section 4, and hereof-regarding amendment of this Declaration. In addition, the Board may, from time to time, without consent of the Owners, promulgate, modify, or delete other use restrictions and rules and regulations applicable to the Community. Such use restrictions and rules shall be distributed to all Owners prior to the date that they are to become effective and shall thereafter be binding upon all Owners and occupants of Lots until and unless overruled, cancelled, or modified in a regular or special meeting by a Majority of the total Association vote entitled to vote thereon and the consent of Declarant (so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof).

Section 2. Residential Use--All Lots shall be used for single-family residential purposes exclusively. No business or business activity shall be carried on in or upon any Lot at any time except with the written approval of the Board. Leasing of a Lot shall not be considered a business or business activity. However, the Board may permit a Lot to be used for business purposes so long as such business, in the sole discretion of the Board, does not otherwise violate the provisions of the Declaration or By-Laws, does not create a disturbance and does not unduly increase traffic flow or parking congestion. The Board may issue rules regarding permitted business activities.

Section 3. Architectural Standards--No exterior construction, alteration, addition, or erection of any nature whatsoever shall be commenced or placed upon any part of the Community, except such as is installed by the Declarant, or as is approved in accordance with this Section, or as is otherwise expressly permitted herein. No exterior construction, addition, erection, or alteration shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, materials, and location shall have been submitted in writing to and approved by an Architectural Control Committee established by the Board. The Board may divide the Architectural Control Committee into two (2) subcommittees, with one (1) subcommittee having jurisdiction over modifications and the other having jurisdiction over new construction. The Board may employ for the Architectural Control Committee established by the Board. The Board may divide the Architectural Control Committee into two (2) subcommittees, with one (1) subcommittee having jurisdiction over modifications and the other having jurisdiction over new construction. The Board may employ for the Architectural Control Committee architects, engineers, or other Persons necessary to enable the Committee to perform its review. The Architectural Control Committee may, from time to time, delegate any of its rights or responsibilities hereunder to one (1) or more duly licensed architects or other qualified Persons, which shall have full authority to act on behalf of the committee for all matters delegated. Written design guidelines and procedures shall be promulgated for the exercise of this review, which guidelines may provide for a review fee in an amount not less than Fifty (\$50.00) Dollars.

Section 3A--Front yards beginning ten (10) feet beyond the front elevation shall be fully sodded and all front yards shall be landscaped area.

Section 4. Signs--No sign of any kind shall be erected by an Owner within the Community without the written consent of the board except: (a) such signs as may be required by legal proceedings; and (b) not more than one "For Sale" sign consistent with the Community-Wide Standard, having a maximum area of four square feet. The board shall have the right to erect any reasonable and appropriate signs.

Section 5. Recreational Vehicles and Trailers--The Architectural Control Committee, in reviewing the plans and specifications for any proposed structure, may require that special parking areas be made available for recreational vehicles. No trailer, trailer house, boat, or recreational vehicle shall be parked on any Lot, except on such parking areas as specified by the Architectural Control Committee pursuant to this Section 5 or within enclosures or behind screening erected in accordance with plans and specifications submitted to and approved by the Architectural Control Committee.

Section 6. Animals and Pets--No animals, livestock, or poultry of any kind may be raised, bred, kept, or permitted on any Lot, with the exception of dogs, cats, or other usual and common household pets in reasonable number, as determined by the board; provided, however, those pets which are permitted to roam free, or, in the sole discretion of the board, endanger the health, make objectionable noise, or constitute a nuisance or inconvenience to the Owners of other Lots or the owner of any property located adjacent to the Community may be removed by the board. No pets shall be kept, bred or maintained for any commercial purpose. Dogs, which are household pets, shall at all times whenever they are outside a Lot be confined on a leash without prejudice to the Board's right to remove any such household pets, no household pet that has caused damage or injury may be walked in the Community.

Section 7. Nuisance--It shall be the responsibility of each Owner and occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her property. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any person using any property within the Community. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Community. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier or other sound device, except such devices as may be used exclusively for security purposes, shall be located, installed or maintained upon the exterior of any Lot unless required by law.

Section 8. Antennas--No exterior antennas of any kind including, without limitation, satellite dishes shall be placed, allowed, or maintained upon any portion of the Community, including any Lot, without the prior written consent of the Architectural Control Committee.

Section 9. Tree and Shrub Removal--No trees that are more than eighteen (18) inches in diameter at a point two (2) feet above the ground, no flowering trees, evergreen trees or shrubs shall be removed from any Lot without the prior written consent of the Architectural Control Committee. However, no consent or approval is required for the removal of any of the foregoing if damaged or dead; or if located in a drainage area, septic field, the right-of-way of a walkway or driveway; or within ten (10) feet of the approved site for a residence; or if removal is necessary due to an emergency.

Section 10. Accessory Structures--The term accessory structure, as used herein, shall refer to any attached or detached structure other than a residence placed on a Lot including, without limitation, a playhouse, tool shed, doghouse, mailbox, garage, tennis court or

Except for attached garages and mailboxes, any accessory structure placed on a Lot shall be located between the back of the residence and the rear Lot line. Such accessory structures shall also be located within such side and rear setback lines as may be required herein or by applicable zoning law.

All plans and specifications for any accessory structure to be erected on any Lot must be submitted in writing to and approved by the Architectural Control Committee in accordance with the provisions of these covenants and the addition or construction of any accessory structure shall not be commenced until such plans and specifications have been submitted and approved.

Section 11. Drainage and Erosion: Sewer Lines--Catch basins and drainage areas are for the purpose of controlling the natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner or occupant of a Lot may obstruct or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains. Declarant hereby reserves a perpetual easement across all Community property for the purpose of altering drainage and water flow. Declarant further reserves an easement across all Community property for the purpose of relocating sewer lines (and related easements) to comply with applicable governmental requirements or as necessary to promote efficient construction of homes (as determined in the sole discretion of Declarant). The reserved easement regarding relocation of sewer lines shall terminate upon the date that the acceptance of a particular sewer line for dedication becomes final and unconditional. Rights exercised pursuant to such reserved easements shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense. There is hereby reserved to the Declarant and the Association the right to take whatever action either deem necessary to prevent erosion within the Community including, without limitation, planting trees, plants and shrubs and providing drainage ways and dams.

Section 12. Clotheslines--No outside clotheslines shall be placed on any Lot.

Section 13. Subdivision of Lot--No Lot shall be subdivided or its boundary lines changed except with the prior written approval of the Association; except that the Declarant shall have the right to replat any Lot or Lots with the consent of the Owner thereof. Any such division, boundary line change, or replatting shall not be in violation of applicable subdivision and zoning regulations.

Section 14. Fences--No fence or fencing type barrier of any kind shall be placed, erected, allowed, or maintained upon any portion of the Community, including any Lot, without the prior written consent of the Architectural Control Committee. The Architectural Control Committee may issue guidelines detailing acceptable fence styles or specifications, but in no event may a chain link fence or hog wire fence visible from the street be approved.

Section 15. Air Conditioning Units--No window air conditioning unit may be located in any part of any residence or accessory structure, which is visible from any street, and all exterior compressor units shall be ground mounted and screened by fencing or planting of a density and height to hide the unit effectively. The location of such exterior compressor units and such fencing or planting shall be approved by the Architectural Control Committee.

Section 16. Building Material Storage--No lumber, bricks, stones, cinder blocks, scaffolding, mechanical devices, or any other materials or devices used for building purposes shall be stored on any Lot except for purposes of construction of a residence or accessory structure on such Lot. Section 21. Foundations--All exposed foundations must be stuccoed or brick unless otherwise approved by the Architectural Control Committee.

Section 23. Construction and Repair--Each Owner of a Lot shall assume responsibility for the risks associated with any construction on his or her Lot and any damage that may occur to streets or curbing resulting from the construction on such Lot. Repairs for any damage incurred must be made within thirty (30) days after the completion of construction on the Lot.

Section 24. Minimum Dwelling Size--Exclusive of garages, carports, porches, terraces, basements and bulk-storage areas, the enclosed heated living area of all residences shall contain not less than 1700 square feet.

Section 25. Water Supply--No individual water supply system shall be permitted on any Lot without the prior written approval of the Architectural Control Committee. If approval is given for such system, it must be located, constructed and equipped in accordance with all applicable requirements, standards and recommendations of federal, state and local public health authorities. All necessary approvals of such system as installed shall be obtained from the required authorities at the sole cost and expense of the Owner of the Lot to be served by such system.

Section 26. Septic Tanks: Sewer Lines-- Each Lot, prior to the completion of a residence thereon, shall contain dry sewer lines installed in accordance with the applicable provisions of the standards for Residential and Commercial Development in Cobb County, Georgia as in effect on the date of completion of such residence, unless an exemption is obtained from the appropriate Cobb County authorities. Article VII

Insurance and Casualty Losses

Section 1. Insurance on Common Property--The Association's Board of Directors or its duly authorized agent shall have the authority to and shall obtain insurance for all insurable improvements on the Common Property and the entry features, if any, which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all-risk" coverage in like amounts.

The Board shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million (\$1,000,000.00) Dollars.

The Board is hereby authorized to contract with or otherwise arrange to obtain the insurance coverage required hereunder through the Declarant and to reimburse Declarant for the cost thereof, and Declarant shall be authorized, but not obligated, to purchase such insurance coverage for the benefit of the Association and the Owners upon Declarant and Association agreeing upon the terms and conditions applicable to reimbursement by the Association for costs incurred by Declarant in obtaining such coverage. Notwithstanding anything contained in this Declaration to the contrary, the Board shall not be required to comply with the provisions of this Article if the Board has contracted for or otherwise arranged to obtain the required insurance coverage through the Declarant.

Premiums for all insurance shall be common expenses of the Association. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, as trustee for the respective benefited parties, as further identified in subparagraph (b), below. Such insurance shall be governed by the provisions hereinafter set forth:

(a) All policies shall be written with a company authorized to do business in Georgia.

(b) Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(c) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees, and the insurance carried by the Association shall be primary.

(d) All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement if these are reasonably available and all insurance policies shall be reviewed annually by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the county where the Community is located.

(e) The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

(i) A waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners and their respective tenants, servants, agents, and guests,

(ii) A waiver by the insurer of its rights to repair and reconstruct instead of paying cash,

(iii) That no policy may be cancelled, invalidated, or suspended on account of anyone or more individual Owners,

(iv) That no policy may be cancelled, subjected to no renewal, invalidated, or suspended on account of any defect or the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which a cure may be effected by the Association, its manager, any Owner or Mortgagee,

(v) That any "other insurance" clause in any policy exclude individual Owners' policies from consideration, and

(vi) That no policy may be cancelled subjected to no renewal or substantially modified without at least thirty (30) days' prior written notice to the Association.

In addition to the other insurance required by this Section, the Board shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall be determined in the directors' best business judgment, and, if available, shall at least equal three (3) months' assessments plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be cancelled, subjected to no renewal or substantially modified without at least thirty (30) days' prior written notice to the Association. The Association shall also obtain construction code endorsements, steam boiler coverage, and flood insurance, if and to the extent necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association.

Section 2. Individual Insurance--By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots, and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket all-risk casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an "all-risk" policy, if reasonably available, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. If all-risk coverage is not reasonably available, Owners shall obtain, at a minimum, fire and extended coverage. The policies required hereunder shall be in effect at all times. Authority to adjust losses under policies obtained by an Owner shall be vested in the Owner. The Association shall have the right, but not the obligation, at the expense of the Owner, to acquire the insurance required to be maintained by the Owner if the Owner fails to provide a valid policy to the Association with a prepaid receipt on or before the expiration of any policy. If the Association does acquire insurance on behalf of any Owner, the cost thereof shall be assessed against the Owner and the Unit as a specific assessment.

Section 3. Damage and Destruction--Insured by Association.

(a) In General--Immediately after damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

(b) Repair and Reconstruction--Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least seventy-five (75%) percent of the total Association vote and the Declarant (so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof) otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Association's members, levy a special assessment against all owners in proportion to the number of Lots owned by such Owners. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association.

In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Community by the Association in a neat and attractive condition.

Section 4. Damage and Destruction --Insured by Owners--The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within seventy-five (75) days after such damage or destruction or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris there from within seventy-five (75) days after such damage or destruction. In the event of non-compliance with this provision, the Board of Directors shall have all enforcement powers specified in Article XII, Section 1, of this Declaration.

Section 5. Insurance Deductible--The deductible for any casualty insurance policy carried by the Association shall, in the event of damage or destruction, be allocated among the Persons who are responsible hereunder, or under any declaration or contract requiring the Association to obtain such insurance, for maintenance of the damaged or destroyed property.

Article VIII Condemnation

In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, then, unless within sixty (60) days after such taking, at least seventy-five (75%) percent of the total Association vote other than Declarant and the Declarant (so long as the Declarant has an option unilaterally to subject property to this Declaration as provided in Article IX hereof) shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Property to the extent lands are available therefore. The provisions of Article VII, Section 3, above, applicable to Common Property improvements damage, shall govern replacement or restoration and the actions to be taken in the event that the improvements are not restored or replaced.

Article IX Annexation of Additional Property

Section 1. Unilateral Annexation By Declarant

(a) As the owner thereof or, if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time at any time until five (5) years after the recording of this Declaration to subject all or any portion of the real property described in Exhibit "C", attached hereto and by reference made a part hereof to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the Office of the Clerk of the Superior Court of the county in which the property to be annexed is located a Supplementary Declaration describing the property being annexed. Any such annexation shall be effective upon the filing for record of such Supplementary Declaration unless otherwise provided therein. As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as rights of then Owners are not adversely affected, the Declarant may unilaterally amend this Declaration to reflect the different character of any such annexed real property.

(b) The rights reserved unto Declarant to subject additional land to the Declaration shall not and shall not be implied or construed so as to impose any obligation upon Declarant to subject any of such additional land to this Declaration or to the jurisdiction of the Association. If such additional land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

Section 2. Other Annexation--Subject to the consent of the owner thereof and the consent of the Declarant (so long as the Declarant has an option to subject additional property to this Declaration as provided above) upon the affirmative vote of a majority of the Association vote present or represented by proxy at a meeting duly called for such purpose, the Association may annex real property to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the office of the Clerk of the Superior Court of the county in which the property to be annexed is located a Supplementary Declaration describing the property being annexed. Any such Supplementary Declaration describing the property being annexed. Any such Supplementary Declaration shall be signed by the President and Secretary of the Association, and any such annexation shall be effective upon the filing for record of such Supplementary Declaration, unless otherwise provided therein.

Article X Mortgage Provisions

The following provisions are for the benefit of holders of first Mortgages on Lots in the Community. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

Section 1. Notices of Action--An institutional holder, insurer, or guarantor of a first Mortgage, who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the Lot number), (therefore becoming an "eligible holder"), will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Lot on which there is a first Mortgage held, insured, or guaranteed by such eligible holder;

(b) Any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by an Owner of a Lot of any obligation under the Declaration or By-Laws of the Association which is not cured within sixty (60) days;

(c) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) Any proposed action, which would require the consent of a specified percentage of Mortgage holders.

Section 2. Special FHLMC Provision--So long as required by the Federal Home Loan Mortgage Corporation (The Mortgage Corporation), the following provisions apply in addition to and not in lieu of the foregoing. Unless two-thirds (2/3) of the first Mortgagees or Owners other than the Declarant, give their consent, the Association shall not:

(a) By act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer the Common Property which the Association owns, directly or indirectly (the granting of easements for public utilities or other similar purposes consistent with the intended use of the Common Property shall not be deemed a transfer within the meaning of this subsection) other than personal property of the Association;

(b) Change the method of determining the obligations, assessments, dues, or other charges, which may be levied against an Owner;

(c) By act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Lots and of the Common Property (The issuance and amendment of architectural standards, procedures, rules, and regulations or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this subsection.);

(d) Fail to maintain insurance, as required by this Declaration; or

(e) Use hazard insurance proceeds for any Common Property losses for other than the repair, replacement, or reconstruction of such property.

Nothing contained in this Section 2 shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration for any of the acts set out in this Section 2.

First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Property and may pay overdue

premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first Mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

Section 3. No Priority--No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

Section 4. Notice to Association--Upon request, each Lot Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

Section 5. Amendments by Board--Should the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

Section 6. VA/HUD Approval--As long as the Declarant has an option unilaterally to subject property to this Declaration as provided in Article IX, the following actions shall require the prior approval of the Veterans Administration {"VA"} so long as the VA is guaranteeing any Mortgage in the Community, and the Department of Housing and Urban Development {"HUD"} so long as HUD is insuring any Mortgage in the Community: annexation of additional property to the Community, except for annexation by Declarant in accordance with Article IX, Section 1, hereof pursuant to a plan of annexation previously approved by the VA or HUD as the case may be; dedication of Common Property to any public entity; and material amendment of the Declaration, By-Laws or Articles of Incorporation.

Section 7. Applicability of Article X--Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or Georgia law for any of the acts set out in this Article.

Section 8. Failure of Mortgagee to Respond--Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request.

Article XI Easements

Section 1. Easements for Encroachment and Overhang--There shall be reciprocal appurtenant easements for encroachment and overhang as between each Lot and such portion or portions of the Common Property adjacent thereto or as between adjacent Lots due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than five (5) feet, as measured from any point on the common boundary between each Lot and the adjacent portion of the Common Property or as between adjacent Lots, as the case may be, along a line perpendicular to such boundary at such point; provided however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful conduct on the part of an Owner, tenant, or the Association.

(ii) The right of the Association to suspend the voting rights of a Lot Owner and the right of an Owner to use the recreational facilities available for use by the Community, if any, for any period during which any assessment against his Lot which is hereby provided for remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, By-Laws, or rules and regulations;

(iii) The right of the Association to borrow money for the purpose of improving the Common Property, or any portion thereof, or for construction, repairing or improving any facilities located or to be located thereon, and to give as security for the payment of any such loan a Mortgage conveying all or any portion of the Common Property; provided, however the lien and encumbrance of any such Mortgage given by the Association shall be subject and subordinate to any rights, interests, options, easements and privileges herein reserved or established for the benefit of Declarant, or any Lot or Lot Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Lot Owner encumbering any Lot or other Property located within the Community (Any provision in this Declaration or in any such Mortgage given by the Association to the contrary notwithstanding, the exercise of any rights therein by the holder thereof in the event of a default thereunder shall not cancel or terminate any rights, easements or privileges herein reserved or established for the benefit of Declarant, or any Lot or Lot Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Lot Owner encumbering any Lot or other property located within the Community.); and

(iv) The right of the Association to dedicate or transfer all or any portion of the Common Property subject to such conditions as may be agreed to by the members of the Association. (b) Any Lot Owner may delegate his right of use and enjoyment in and to the Common Property and facilities located thereon to the members of his family, his tenants and guests and shall be deemed to have made a delegation of all such rights to the occupants of such Owner's Lot, if leased.

Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, the Board shall have the right to grant such easement. In addition,

Declarant shall have the right to relocate sewer lines as provided in Article VI, Section 11 hereof.

Section 4. Easement for Entry--In addition to the right of the Board to exercise self-help as provided in Article XII, Section 2, hereof, the Board shall have the right, but shall not be obligated, to enter upon any property within the Community for emergency, security, and safety, which right may be exercised by the manager, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner, and the entering party shall be responsible for any damage caused. It is intended that this right of entry shall include (and this right of entry shall include) the right of the Board to enter to cure any condition which may increase the possibility of a fire, slope erosion, or other hazard in the event an Owner or occupant fails or refuses to cure the condition upon request by the Board.

Section 5. Easement for Entry Features--There is hereby reserved to the Declarant and the Association an easement for ingress, egress, installation, construction landscaping and maintenance of entry features for the Community, over and upon each Lot which is bounded by the right-of-way of Johnson Ferry Road or any other public thoroughfare. The Board of Directors may impose fines or other sanctions, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the By-Laws or the rules and regulations shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the Board of Directors, on behalf of the Association, or, in a proper case, by an aggrieved Owner. Failure by the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. The Board shall have the right to record in the appropriate land records a notice of violation of the Declaration, By-Laws, rules and regulations, use restrictions, or design guidelines and to assess the cost of recording and, removing such notice against the Owner who is responsible (or whose occupants, fire responsible) for violating the foregoing.

Section 2. Self-Help--In addition to any other remedies provided for herein, the Association or its duly authorized agent shall have the power to enter upon a Lot or any portion of the Common Property to abate or remove, using such force as may be reasonably necessary, any structure, thing or condition which violates this Declaration, the By-Laws, the rules and regulations, or the use restrictions. Unless an emergency situation exists, the Board shall give the violating Lot Owner ten (10) days' written notice of its intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after reasonable notice. All costs of self-help, including reasonable attorney's fees actually incurred shall be assessed against

the violating Lot Owner and shall be collected as provided for herein for the collection of assessments.

Section 3. Duration--The covenants and restrictions of this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by the Association or any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent permitted by law; provided however, so long as Georgia law limits the period during which covenants restricting lands to certain uses may run, any provision of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time any such provisions shall be automatically extended for successive periods of ten (10) years, unless such extension is disapproved by the affirmative vote or written consent, or any combination thereof, of at least two-thirds (2/3) of the total Association vote and the consent of Declarant (so long as the Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof) .A written instrument reflecting disapproval must be recorded within the year immediately preceding the beginning of a ten (10) year renewal period. Every purchaser or grantee of any interest (including, without limitation, a security interest) in any real property subject to this Declaration, by acceptance of a deed or other conveyance therefore, thereby agrees that such provisions of this Declaration may be extended and renewed as provided in this Section.

Section 4. Amendment--This Declaration may be amended unilaterally at any time and from time to time by Declarant: (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure Mortgage loans on the Lot subject to this Declaration; provided however, any such amendment shall not adversely affect the title to any Owner's Lot unless any such Lot Owner shall consent thereto in writing. Further, so long as Declarant has the right unilaterally to subject additional property to this Declaration as provided in Article IX hereof, Declarant may unilaterally amend this Declaration for any other purpose; provided however, any such amendment shall not materially adversely affect the substantive rights of any Lot Owner hereunder, nor shall it adversely affect title to any Lot without the consent of the affected Lot Owner.

In addition to the above, this Declaration may be amended upon the affirmative vote or written consent, or any combination thereof, of at least two-thirds (2/3) of the total Association vote and the consent of the Declarant (so long as Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX hereof). Amendments to this Declaration shall become effective upon recordation, unless a later effective date is specified therein. No provision of this Declaration which reserves or grants special rights to the Declarant shall be amended without the Declarant's prior written approval so long as the Declarant owns any property in the Community, or subject to annexation to the Community, primarily for development and/or sale.

Section 5. Partition--The Common Property shall remain undivided, and no Lot Owner nor any other Person shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community and without the written consent of all holders of all Mortgages encumbering any portion of the property, including, but not necessarily limited to, the Lots located within the Community.

Section 6. Gender and Grammar--The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine pronoun shall include the neuter and feminine.

Section 7. Severability--Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application, and, to this end, the provisions of this Declaration are declared to be severable.

Section 8. Captions--The captions of each Article and Section hereof, as to the contents of each Article and Section, are inserted only for convenience and are in no way to be construed as defining, limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer.

Section 9. Preparer--This Declaration was prepared by Province Properties, Inc. and Jonathan E. Edwards Homes, Inc., 4799 Olde Towne Parkway, Marietta, GA 30068.

Section 10. Perpetuities--If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

Section 11. Any indemnification hereunder shall be made by the Association only as authorized (as provided in Section 14-2-156 of the Georgia Business Corporation Code) in a specific case upon a determination that indemnification of the person is proper under the circumstances.

Section 12. Construction and Sale Period--Notwithstanding any provisions contained in this Declaration, the By-Laws, Articles of Incorporation, use restrictions, rules and regulations, design guidelines, and any amendments thereto, until Declarant's right unilaterally to subject property to this Declaration as provided in Article IX terminates, it shall be expressly permissible for Declarant and any builder or developer approved by Declarant to maintain and carry on, upon such portion of the Community as Declarant may deem necessary, such facilities and activities as in the sole opinion of Declarant may be required, convenient, or incidental to Declarant's and such builder's or developer's development, construction, and sales activities related to property described on Exhibit "B" and Exhibit "C" to this Declaration, including, but without limitation: the right of access, ingress and egress for vehicular and pedestrian traffic over, under, on or in the Community; the right to tie into any portion of the Community with driveways, parking areas and walkways; the right to tie into and/or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain and repair any device which provides utility or similar services including, without limitation, electrical, telephone, natural gas, water, sewer and drainage lines and facilities constructed or installed in, on, under and/or

over the Community; the right to carry on sales and promotional activities in the Community; and the right to construct and operate business offices, signs, construction trailers, model residences, and sales offices. Declarant and any such builder or developer may use residences, offices, or other buildings owned or leased by Declarant or such builder or developer as model residences and sales offices and may also use recreational facilities available for use by the Community as a sales office without charge. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense. This Section shall not be amended without the Declarant's express written consent so long as the Declarant owns any property in the Community, or subject to annexation to the Community, primarily for development and/or sale.

Section 13. Contracts Executed During Declarant Control--All contracts or leases executed by or on behalf of the Association during the period in which the Declarant has the right to appoint the Directors and officers of the Association under the By-Laws shall contain a termination clause permitting the Association to terminate the contract or lease at any time, without cause and without penalty, upon not more than ninety (90) days' written notice.

Section 14. Books and Records

(a) Inspection by Members and Mortgagees--This Declaration, the By-Laws, copies of rules and use restrictions, membership register, books of account, and minutes of meetings of the members of the Board and of committees shall be made available for inspection and copying by any member of the Association or by his duly appointed representative and by holders, insurers, or guarantors of any first Mortgage at any reasonable time and for a purpose reasonably related to his or her interest as a member or holder, insurer, or guarantor of a first Mortgage at the office of the Association or at such other reasonable place as the Board shall prescribe.

(b) Rules for Inspection--The Board shall establish reasonable rules with respect to:

- (i) Notice to be given to the custodian of the records;
- (ii) Hours and days of the week when such an inspection may be made; and
- (iii) Payment of the cost of reproducing copies of documents.

(c) Inspection by Directors--Every Director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a Director includes the right to make extra copies of documents at the reasonable expense of the Association.

Section 15. Financial Review--A review of the accounts of the Association shall be made annually in the manner as the Board of Directors may decide; provided however, after having received the Board's reviewed financial statement at the annual meeting, by a Majority of the Association vote present, or represented by proxy, the Owners may require that the accounts of the Association be audited as a common expense by a public accountant. Upon a written request of any institutional holder of a first Mortgage and upon payment of all necessary costs, such holder shall be entitled to receive a copy of an audited financial statement within ninety (90) days of the date of the request.

Section 16. Notice of Sale or Lease--In the event an Owner sells or leases his or her Lot, the Owner shall give to the Association, in writing, the name of the purchaser or lessee of the Lot and such other information as the Board may reasonably require.

Section 17. Agreements--Subject to the prior approval of Declarant (so long as the Declarant has an option to unilaterally subject additional property to this Declaration as provided in Article IX above) all agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board of Directors shall be binding upon all Owners, their heirs, legal representatives, successors, assigns, and others having an interest in the Community or the privilege of possession and enjoyment of any part of the Community.

Section 18. Implied Rights--The Association may exercise any right or privilege given to it expressly by this Declaration, the By-Laws, the Articles of Incorporation, any use restriction or rule, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it therein or reasonably necessary to effectuate any such right or privilege.

Section 19. Variances--Notwithstanding anything to the contrary contained herein, the Board of Directors or its designee shall be authorized to grant individual variances from any of the provisions of this Declaration, the By-Laws and any rule, regulation or use restriction promulgated pursuant thereto if it determines that waiver of application or enforcement of the provision in a particular case would not be inconsistent with the overall scheme of development for the Community.

Section 20. Use of Recreational Facilities By Non-Members--For so long as Declarant has an option unilaterally to subject additional property to this Declaration as provided in Article IX above, Declarant shall have the right to grant to persons who are not members of the Association the right to use the Community recreational facilities constructed by Declarant. The extent and duration of nonmember use and the fee to be charged therefore shall be determined solely by Declarant. The Declarant may grant non-member use rights to individuals as an easement appurtenant to such individuals' residential real property so that such use rights shall automatically inure to the benefit of both the original grantees and their respective successors-in-title to such real property. For so long as Declarant owns such recreational facilities, non-member user fees shall be paid to Declarant. If such recreational facilities are conveyed to the Association, non-member user fees due and payable after the date of such conveyance shall be paid to the Association. Declarant shall determine the amount of non-member user fees, which are due and payable after such conveyance. Such fees shall be paid annually to the Association. The amount of such annual fees may be increased each year by the Board so long as the percentage increase (as compared to the previous year's annual fees) does not exceed the percentage increase in the annual assessment levied against members of the Association (as compared to the previous year's assessment).

Any use right granted to non-members which extends beyond the termination of Declarant's option unilaterally to subject additional property to this Declaration shall be valid and may not be terminated by the Association so long as the terms and conditions imposed upon non-member use by Declarant are complied with by the non-member user.

Declarant hereby expressly reserves unto itself, its successors and assigns, a non-exclusive, perpetual right, privilege and easement with respect to the Community for the benefit of Declarant, its successors, assigns and the above discussed non-member users, over, under, in and/or on the Community (including, without limitation, the above described recreational facilities), without obligation and without charge to the foregoing, for the purposes of taking all actions related to or connected with the granting of non-member use and the use by such non-members as described above. Such right, privilege and easement shall include, without limitation, the right of access, ingress, use and egress of and to the above described recreational facilities and the right of access, ingress, use and egress for vehicular and pedestrian traffic over, under, on or in the Community roads, parking areas and walkways.

Declarant shall not be liable for and is hereby held harmless from any failure of any non-member to pay a non-member user fee to the Association where required to do so by this Section. In such case, the Association's sole remedy shall be to suspend the use right of the non-member who has not timely paid until all amounts owed are paid. Declarant shall also not be liable for and is hereby held harmless from any personal injury or property damage caused by a non-member entitled to use the Community recreational facilities constructed by Declarant.

Declarant shall have the sole right to grant use rights to the Community recreational facilities constructed by Declarant to non-members and the Board shall have no such right. The provisions of this Section shall apply notwithstanding any contrary provisions in this Declaration, the By-Laws, Articles of Incorporation, rules and regulations, use restrictions and any amendments to any of the foregoing.
